Experience

E-Commerce Specialist / The Salvation Army

Jun 2026 – Current | San Francisco, CA

- Created and optimized product listings to improve product visibility, accuracy, and the overall online shopping experience.
- Analyzed sales data and customer feedback across 100+ online listings to identify trends and inform merchandise selection.
- Selected, photographed, and published 25+ merchandise listings daily, ensuring accurate details and strong visual presentation.

Instructional Assistant, COGS120: Interaction Design / UC San Diego

Jan 2025 – Mar 2025 | La Jolla, CA

- Led weekly office hours supporting 100+ students in interaction design, user flows, and UX fundamentals, reinforcing principles of usability and accessibility
- Evaluated and graded assignments relating to design heuristics, usability, and UI principles to minimize cognitive overload
- Contributed curriculum feedback to strengthen emphasis on end-to-end product design process, from research to hi-fi prototyping

Projects

Seven Seas Roasting Co. Website Redesign

Jan 2025 – Mar 2025 | San Diego, CA

- Partnered directly with business owner to define product goals, success metrics, and user needs
- Planned and conducted interviews and usability studies to create design solutions that were intuitive and met user needs
- Delivered high-fidelity prototypes in Figma, evolving the visual system to align with brand identity while improving usability

Concert Merchandise Physical Prototype

Sept 2024 – Dec 2024 | San Diego, CA

- Conducted online research and fieldwork to understand the environment and user pain points
- Held storyboard interviews to test the concept of a merchandise kiosk
- Designed and constructed a physical kiosk and high fidelity prototype to mimic an in-person user interaction with a self-service kiosk
